PT. Hamparan Palapa Nusantara

Since 2020

Welcome Message

As a company rooted in a family of coconut farmers, PT. Hamparan Palapa Nusantara was built on real experience and a deep understanding of the industry. Through Rumah Palapa, we aim to bridge the gap between farmers and the market by creating a more efficient and sustainable supply chain. Our commitment is to deliver consistent quality with integrity while supporting the communities behind every product.

Introduction

Awaludin Siregar
Company Founder

About Us

Rumah Palapa is the marketing hub of PT. Hamparan Palapa Nusantara, delivering high-quality coconut products from farmers to global markets. From plantation to product, we ensure consistent quality at every stage—harvesting carefully selected coconuts and transforming them into premium derivatives through reliable and sustainable processes. Built on strong farming roots, we are committed to empowering communities while delivering trusted coconut products with integrity and long-term value.

PT. Hamparan Palapa Nusantara

Since 2020

Vision & Mission

► Company Vision

Our Value

1 Sustainability

2 Innovation

3 Quality

4 Community

Our Product

1

Fresh Coconut

Fresh coconuts harvested from selected plantations, ensuring natural quality and optimal maturity for various global market needs.

2

Copra

Dried coconut meat processed under controlled conditions, delivering reliable quality for oil extraction and industrial applications.

3

Coconut Shell

Dried coconut meat processed under controlled conditions, delivering reliable quality for oil extraction and industrial applications.

4

Coconut Charcoals

Durable coconut shells collected from processing, serving as a sustainable raw material for charcoal, carbon, and industrial use.

5

Coconut Milk

High-performance coconut charcoal with strong heat output and low smoke, suitable for energy, briquettes, and industrial needs.

6

Coconut Sugar

Rich coconut milk produced from fresh coconuts, offering natural flavor and consistent quality for food and beverage industries.
